Index to volume 12

AUTHOR INDEX

A

Alterescu V: Stoma lacerations, 217 (Case notes)

B

Barnes SH: Myths and misconceptions of pressure sore management, 29
Broadwell DC: Accreditation versus nonaccreditation, 71 (President's message)
—: ET nursing power, 1 (President's message)
—: Pathways to excellence in the specialty organizations, 161
—: Selecting educational opportunities, 37 (President's message)
—: Broadwell DC: Special thanks, 190 (Letters)
—: The challenges of being president, 111 (President's message)
Brogna L: Self-concept and rehabilitation of the person with an ostomy, 205
Brown CS: Cost saving or penny pinching? 152 (Letters)
Brown-Etris M: Future directions for the Association, 152 (Letters)
Busch AMH: Conventional ileostomy converted to a Kock continent ileostomy: Social and psychological significance as perceived by two individuals with conversions, 55

C

Cheney T: Nursing implications in the care of the ostomy patient receiving radiation and chemotherapy, 175
Cole JP, Perreault JA: A multidisciplinary approach to services for enterostomy patients, 49

D

Devine AE: Community assessment: Its components and significance in planning health care programs, 167
Dudas S: Expanding your practice, 140

E

Erman MK: Insomnia management, 210

F

Faller NA: Question, 153 (Letters)
—: Vinson RK: The artificial urinary sphincter, 7

G

Gerber A: The Kock continent ileal reservoir: An alternative to the conventional urostomy, 15
Glazer M: An ethical concern, 224 (Letters)
Graham BK: ET nursing in rural communities, 153 (Letters)

H

Hemphill BH: Financial reimbursement for publication, 186 (Case notes)
Hively-Petillo M: Psychologic factors and inflammatory bowel disease: A review of the literature, 214
Hottenstein P: Growth of a department, 147 (Case notes)
—: Reply to Pauly: More on seat belts, 224 (Letters)
—: Seat belts and ostomies, 110 (Letters)

I

Irrgang S: Reply to Faller: Question, 153 (Letters)

J

Jeter KF: Benefitting by association, 153 (Letters)
Jones T: Review of *Safer Lifting for Patient Care*, 223 (In review)

K

Keith JG: Marketing concepts and strategies for ET nurses, 99
Kirkland S: Ostomy dolls for pediatric patients, 104 (Case notes)
Klein L: The notoriety of disease, 191 (President's message)
—: "With a little help from my friends," 155 (President's message)
Kynes PM: Getting to the bottom of the malpractice crises, 193 (Editorial)
—: Kudos, 157 (Editorial)
—: On surviving diagnosis-related groups, 3 (Editorial)
—: The elderly—Victims of the gross national product, 39 (Editorial)
—: The hepatitis B vaccine, 144 (Drugs: Actions and reactions)
—: The risk of hepatitis B in ET nurses, 114 (Editorial)
—: Time—The elusive stuff of which dreams are made, 73 (Editorial)

L

Lipson JG: Crises intervention techniques for the ET nurse, 18

M

Maklebust J: United Ostomy Association visits and adjustment following ostomy surgery, 84
Marsh N: Review of *Genitourinary Problems*, 189 (In review)
Martin TA: Drug actions on the lower urinary tract, 61 (Drugs: Actions and reactions), 61

January/February, pp. 1-36; March/April, pp. 37-70; May/June, pp. 71-110; July/August, pp. 111-154; September/October, pp. 155-190; November/December, pp. 191-224.

McCoy RW: Words from a "privileged husband," 190 (Letters)
Melzl MT, Tan AB, Prasad ML: The rodless stoma: An alternative to the conventional loop, 93
Mermel VM: *See* Strong and Mermel, 195
Merwarth G: Osteoporosis, 36 (Letters)
Montgomery BA: Product ingredients: Important ramifications, 203
Morin JM: Urinary undiversion, 125
Motta GJ: New Medicare nutrition reimbursement policy threatens patient health, 5 (Editorial)

N

Nemer FD, Rolstad BS: The role of the ileoanal reservoir in patients with ulcerative colitis and familial polyposis, 74
—: *See* Rolstad and Nemer, 41

P

Pauly HM: More on seat belts, 224 (Letters)
Perreault JA: *See* Cole and Perreault, 49
Prasad ML: *See* Melzl, Tan, and Prasad, 93

R

Ritter M: Review of *The Research Process in Nursing*, 151 (In review)
Rogness H: High-pressure wound irrigation, 27
Rolstad BS, Nemer FD: Management problems associated with ileoanal reservoir, 41
—: *See* Nemer and Rolstad, 74
Rothstein MS: More pieces of "ate," 36 (Letters)
Russell VB: Review of *Clinical Implications of Laboratory Tests*, 35 (In review)

S

Sikes E: Evaluation of a transparent dressing in the treatment of stasis ulcers of the lower limb, 116
Simons K: The psychologic impact of language on persons with ostomies, 159 (Editorial)
Strong V, Mermel VM: A comparative study of the effectiveness of a nonpetroleum and a petroleum moisturizing agent on healing of stage I and stage II skin lesions, 195

T

Tan AB: *See* Melzl, Tan, and Prasad, 93

V

Valdez L: Review of *Ileostomy Handbook*, 109 (In review)
Vinson RK: *See* Faller and Vinson, 7

W

Watson PG: Levels of measurement, 63 (On conducting research)
—: Meeting the needs of patients undergoing ostomy surgery, 121
—: Practical considerations for conducting nursing research, 182 (On conducting research)
Wilson SD: An enterostomal therapy services brochure—A visual aid, 66 (Case notes)

Z

Zink M: Biliary atresia: Nursing diagnoses and management, 128

SUBJECT INDEX

A

Absorption agents
Product ingredients: Important ramifications (Montgomery), 203
Accreditation
Accreditation versus nonaccreditation (Broadwell), 71 (President's message)
Adjustment following ostomy surgery
United Ostomy Association visits and adjustment following ostomy surgery (Maklebust), 84
AIDS
The hepatitis B vaccine (Kynes), 144 (Drugs: Actions and reactions)
The notoriety of disease (Klein), 191 (President's message)
Annual Conference
Kudos (Kynes), 157 (Editorial)
Special thanks (Broadwell), 190 (Letters)
Words from a "privileged" husband (McCoy), 190 (Letters)
Artificial urinary sphincter
The artificial urinary sphincter (Faller and Vinson), 7
Atresia
Biliary atresia: Nursing diagnoses and management (Zink), 128

B

Bed sores
Myths and misconceptions of pressure sore management (Barnes), 29
Biliary atresia
Biliary atresia: Nursing diagnoses and management (Zink), 128

January/February, pp. 1-36; March/April, pp. 37-70; May/June, pp. 71-110; July/August, pp. 111-154; September/October, pp. 155-190; November/December, pp. 191-224.

Book reviews
Clinical Implications of Laboratory Tests (reviewed by Russell), 35
Genitourinary Problems (reviewed by Marsh), 189
Ileostomy Handbook (reviewed by Valdez), 109
Safer Lifting for Patient Care (reviewed by Thelma Jones), 223
The Research Process in Nursing (reviewed by Ritter), 151
Bowel disease
Psychologic factors and inflammatory bowel disease: A review of the literature (Hively-Petillo), 214
Brochure
An enterostomal therapy services brochure—A visual aid (Wilson), 66 (Case notes)

C

Chemotherapy
Nursing implications in the care of the ostomy patient receiving radiation and chemotherapy (Cheney), 175
Colitis
The role of the ileoanal reservoir in patients with ulcerative colitis and familial polyposis (Nemer and Rolstad), 74
Colon cancer
The notoriety of disease (Klein), 191 (President's message)
Community assessment
Community assessment: Its components and significance in planning health care programs (Devine), 167
Conjoint team
A multidisciplinary approach to services for enterostomy patients (Cole and Perreault), 49
Continent ileostomy
Conventional ileostomy converted to a Kock continent ileostomy: Social and psychological significance as perceived by two individuals with conversions (Busch), 55
The Kock continent ileal reservoir: An alternative to the conventional urostomy (Gerber), 15
Contracting ET services
Benefitting by association (Jeter), 153 (Letters)
Cost
Cost saving or penny pinching? (Brown), 152 (Letters)
Counseling
Self-concept and rehabilitation of the person with an ostomy (Brogna), 205
Crises
Crises intervention techniques for the ET nurse (Lipson), 18

D

Decubitus ulcers
Myths and misconceptions of pressure sore management (Barnes), 29
Diagnosis-related groups
On surviving diagnosis-related groups (Kynes), 3 (Editorial)
Disease prevention
The notoriety of disease (Klein), 191 (President's message)
Diversion
Urinary undiversion (Morin), 125
Drugs
Drug actions on the lower urinary tract (Martin), 61 (Drugs: Actions and reactions)
Product ingredients: Important ramifications (Montgomery), 203

E

Elderly
The elderly—Victims of the gross national product (Kynes), 39 (Editorial)
Enterocutaneous fistula
Question (Faller), 153; reply (Irrgang), 153 (Letters)
Enterostomal management
Management problems associated with ileoanal reservoir (Rolstad and Nemer), 41
Enterostomal Therapy Nursing Educational Programs
Accreditation versus nonaccreditation (Broadwell), 71 (President's message)
Entry-level requirements
Accreditation versus nonaccreditation (Broadwell), 71 (President's message)
ET education
Accreditation versus nonaccreditation (Broadwell), 71 (President's message)
Selecting educational opportunities (Broadwell), 37 (President's message)
Ethics
An ethical concern (Glazer), 224 (Letters)
ET nursing
An enterostomal therapy services brochure—A visual aid (Wilson), 66 (Case notes)
An ethical concern (Glazer), 224 (Letters)
Crises intervention techniques for the ET nurse (Lipson), 18
ET nursing in rural communities (Graham), 153 (Letters)
ET nursing power (Broadwell), 1 (President's message)
Growth of a department (Hottenstein), 147 (Case notes)
Meeting the needs of patients undergoing ostomy surgery (Watson), 121
A multidisciplinary approach to services for enterostomy patients (Cole and Perreault), 49
Nursing implications in the care of the ostomy patient receiving radiation and chemotherapy (Cheney), 175
Pathways to excellence in the specialty organizations (Broadwell), 161
The challenges of being president (Broadwell), 111 (President's message)
Time—The elusive stuff of which dreams are made (Kynes), 73 (Editorial)
Expansion of practice
Expanding your practice (Dudas), 140

F

Familial polyposis
The role of the ileoanal reservoir in patients with ulcerative colitis and familial polyposis (Nemer and Rolstad), 74
Financial reimbursement
Financial reimbursement for publication (Hemphill), 186 (Case notes)

H

HBV immunization
The risk of hepatitis B in ET nurses (Kynes), 114 (Editorial)
Health care expense
The elderly—Victims of the gross national product (Kynes), 39 (Editorial)
Health care marketing
Marketing concepts and strategies for ET nurses (Keith), 99
Health care programs
Community assessment: Its components and significance in planning health care programs (Devine), 167
Hepatitis B
The risk of hepatitis B in ET nurses (Kynes), 114 (Editorial)
Hepatitis B vaccine
The hepatitis B vaccine (Kynes), 144 (Drugs: Actions and reactions)
High-pressure wound irrigation
High-pressure wound irrigation (Rogness), 27
Hospitalized patients
Crises intervention techniques for the ET nurse (Lipson), 18

I

IAET Annual Conference
Selecting educational opportunities (Broadwell), 37 (President's message)
Ileal reservoir
The Kock continent ileal reservoir: An alternative to the conventional urostomy (Gerber), 15
Ileoanal reservoir
Management problems associated with ileoanal reservoir (Rolstad and Nemer), 41
The role of the ileoanal reservoir in patients with ulcerative colitis and familial polyposis (Nemer and Rolstad), 74
Ileostomy
Conventional ileostomy converted to a Kock continent ileostomy: Social and psychological significance as perceived by two individuals with conversions (Busch), 55
Inflammatory bowel disease
Psychologic factors and inflammatory bowel disease: A review of the literature (Hively-Petillo), 214
Insomnia
Insomnia management (Erman), 210
Insurance
Getting to the bottom of the malpractice crises (Kynes), 193 (Editorial)
International Association for Enterostomal Therapy
Accreditation versus nonaccreditation (Broadwell), 71 (President's message)
The challenges of being president (Broadwell), 111 (President's message)
ET nursing power (Broadwell), 1 (President's message)
Future directions for the Association (Brown-Etris), 152 (Letters)
Kudos (Kynes), 157 (Editorial)
Selecting educational opportunities (Broadwell), 37 (President's message)
Time—The elusive stuff of which dreams are made (Kynes), 73 (Editorial)
"With a little help from my friends" (Klein), 155 (President's message)

J

Journal of Enterostomal Therapy
Kudos (Kynes), 157 (Editorial)

K

Kock continent ileal reservoir
The Kock continent ileal reservoir: An alternative to the conventional urostomy (Gerber), 15
Kock continent ileostomy
Conventional ileostomy converted to a Kock continent ileostomy: Social and psychological significance as perceived by two individuals with conversions (Busch), 55

L

Lacerations
Stoma lacerations (Alterescu), 217 (Case notes)
Language
The psychologic impact of language on persons with ostomies (Simmons), 159 (Editorial)
Literature
Current, 32, 68, 106, 149, 187, 220
Loop ostomy
The rodless stoma: An alternative to the conventional loop (Melzl, Tan, and Prasad), 93
Lower urinary tract
Drug actions on the lower urinary tract (Martin), 61 (Drugs: Actions and reactions)

M

Malpractice
Getting to the bottom of the malpractice crises (Kynes), 193 (Editorial)
Management
Management problems associated with ileoanal reservoir (Rolstad and Nemer), 41
Marketing concepts and strategies
Marketing concepts and strategies for ET nurses (Keith), 99
Measurement process
Levels of measurement (Watson), 63 (On conducting research)

Medicare
New Medicare nutrition reimbursement policy threatens patient health (Motta), 5 (Editorial)
The elderly—Victims of the gross national product (Kynes), 39 (Editorial)
Multidisciplinary approach
A multidisciplinary approach to services for enterostomy patients (Cole and Perreault), 49

N

Needs of ostomy patients
Meeting the needs of patients undergoing ostomy surgery (Watson), 121
Negligence laws
Getting to the bottom of the malpractice crises (Kynes), 193 (Editorial)
Nursing research
Practical considerations for conducting nursing research (Watson), 182 (On conducting research)
Nursing specialties
Pathways to excellence in the specialty organizations (Broadwell), 161

O

Osteoporosis
Osteoporosis (Merwarth), 36 (Letters)
Ostomate
More pieces of "ate" (Rothstein), 36 (Letters)
Ostomy(ies)
The psychologic impact of language on persons with ostomies (Simmons), 159 (Editorial)
Ostomy Doll Program
Ostomy dolls for pediatric patients (Kirkland), 104 (Case notes)
Ostomy surgery
Meeting the needs of patients undergoing ostomy surgery (Watson), 121

P

Pediatric patients
Biliary atresia: Nursing diagnoses and management (Zink), 128
Ostomy dolls for pediatric patients (Kirkland), 104 (Case notes)
Petroleum
A comparative study of the effectiveness of a nonpetroleum and a petroleum moisturizing agent on healing of stage I and stage II skin lesions (Strong and Mermel), 195
Postoperative adjustment
United Ostomy Association visits and adjustment following ostomy surgery (Maklebust), 84
Pressure-sore management
Myths and misconceptions of pressure sore management (Barnes), 29
Product ingredients
Product ingredients: Important ramifications (Montgomery), 203
Professional issues
Community assessment: Its components and significance in planning health care programs (Devine), 167
Expanding your practice (Dudas), 140
Growth of a department (Hottenstein), 147 (Case notes)
Marketing concepts and strategies for ET nurses (Keith), 99
New Medicare nutrition reimbursement policy threatens patient health (Motta), 5 (Editorial)
On surviving diagnosis-related groups (Kynes), 3 (Editorial)
"With a little help from my friends" (Klein), 155 (President's message)
Prospective payment system
On surviving diagnosis-related groups (Kynes), 3 (Editorial)
The elderly—Victims of the gross national product (Kynes), 39 (Editorial)
Psychologic factors in disease
Psychologic factors and inflammatory bowel disease: A review of the literature (Hively-Petillo), 214
Psychology
The psychologic impact of language on persons with ostomies (Simmons), 159 (Editorial)
Publication
Financial reimbursement for publication (Hemphill), 186 (Case notes)

R

Radiation
Nursing implications in the care of the ostomy patient receiving radiation and chemotherapy (Cheney), 175
Rehabilitation
Self-concept and rehabilitation of the person with an ostomy (Brogna), 205
Reimbursement
Financial reimbursement for publication (Hemphill), 186 (Case notes)
New Medicare nutrition reimbursement policy threatens patient health (Motta), 5 (Editorial)
Research
Practical considerations for conducting nursing research (Watson), 182 (On conducting research)
Research measurement
Levels of measurement (Watson), 63 (On conducting research)
Restorative procedures
Management problems associated with ileoanal reservoir (Rolstad and Nemer), 41
Rodless stoma
The rodless stoma: An alternative to the conventional loop (Melzl, Tan, and Prasad) 93
Rural communities
ET nursing in rural communities (Graham), 153 (Letters)

S

Scope of ET nursing practice
Expanding your practice (Dudas), 140

Seat belts
More on seat belts (Pauly), 224; reply (Hottenstein), 224 (Letters)
Seat belts and ostomies (Hottenstein), 110 (Letters)
Self-concept
Self-concept and rehabilitation of the person with an ostomy (Brogna), 205
Skin care
Stoma lacerations (Alterescu), 217 (Case notes)
Skin lesions
A comparative study of the effectiveness of a nonpetroleum and a petroleum moisturizing agent on healing of stage I and stage II skin lesions (Strong and Mermel), 195
Sleep
Insomnia management (Erman), 210
Somnolence
Insomnia management (Erman), 210
Specialty organizations
Pathways to excellence in the specialty organizations (Broadwell), 161
Sphincter
The artificial urinary sphincter (Faller and Vinson), 7
Stage I and stage II skin lesions
A comparative study of the effectiveness of a nonpetroleum and a petroleum moisturizing agent on healing of stage I and stage II skin lesions (Strong and Mermel), 195
Stasis ulcers
Evaluation of a transparent dressing in the treatment of stasis ulcers of the lower limb (Sikes), 116
Stoma
The rodless stoma: An alternative to the conventional loop (Metzl, Tan, and Prasad), 93
Stoma care
Stoma lacerations (Alterescu), 217 (Case notes)

T

Transparent dressing
Evaluation of a transparent dressing in the treatment of stasis ulcers of the lower limb (Sikes), 116

U

Ulcerative colitis
The role of the ileoanal reservoir in patients with ulcerative colitis and familial polyposis (Nemer and Rolstad), 74
Ulcers
Evaluation of a transparent dressing in the treatment of stasis ulcers of the lower limb (Sikes), 116
Undiversion
Urinary undiversion (Morin), 125
United Ostomy Association
More pieces of "ate" (Rothstein), 36 (Letters)
United Ostomy Association visits and adjustment following ostomy surgery (Maklebust), 84
Urinary sphincter
The artificial urinary sphincter (Faller and Vinson), 7
Urinary tract
Drug actions on the lower urinary tract (Martin), 61 (Drugs: Actions and reactions)
Urinary undiversion
Urinary undiversion (Morin), 125
Urostomy
The Kock continent ileal reservoir: An alternative to the conventional urostomy (Gerber), 15

V

Vaccine
The hepatitis B vaccine (Kynes), 144 (Drugs: Actions and reactions)
Visual aids
An enterostomal therapy services brochure—A visual aid (Wilson), 66 (Case notes)

W

Wound care
Evaluation of a transparent dressing in the treatment of stasis ulcers of the lower limb (Sikes), 116
High-pressure wound irrigation (Rogness), 27
Wound irrigation
High-pressure wound irrigation (Rogness), 27
